Sir:

AMENDMENT

This is in response to the Office Action in this case mailed October 13, 2006. A Petition for a two-month extension of time to extend the term for response from January 13, 2007 to March 13, 2007 has been filed concurrently with this Amendment. Applicant believes that no other extension of time is required. However, Applicant conditionally petitions for an additional extension of time to provide for the possibility that the need for such a petition has been overlooked.

Please amend the application as follows:
